PROFILE STATEMENT

Recent Computer Engineering graduate with a strong passion for software development. I'm eager to contribute my technical skills and learn from experienced professionals. I'm dedicated to continuous learning to enhance my knowledge. My goal is to apply my passion for technology and my eagerness to learn to make meaningful contributions.

SKILLS

- Web development (HTML, CSS, Bootstrap, JavaScript)
- Computer Hardware Troubleshooting
- Embedded Systems
- Microcontrollers (Arduino, Raspberry Pi 4)
- Mobile Application Development (Java, C#, Android Studio)
- Data Entry
- Attention to Details
- Teamwork and Collaboration
- Willingness to learn

EDUCATION

Bachelor of Science: BS, Computer Engineering (BsCPE)

STI College - Las Pinas | Las Pinas, Metro Manila | 2019 - 2023

Senior High School: Information Technology in Mobile Application and Web Development (ITMAWD)

STI College - Las Pinas | Las Pinas, Metro Manila | 2017 - 2019

WORK HISTORY

Data Encoder | Internship

Manulife | Las Pinas, Metro Manila | Jan 2019 – March 2019 (3mos)

- Successfully encoded client information including names, birthdays, addresses, phone numbers, and balances using Microsoft Excel 2016.
- Maintained a high level of accuracy and attention to detail, ensuring that all data was entered correctly and efficiently.
- Developed proficiency in Excel and improved data management skills through hands-on experience.
- Contributed to the completion of the data entry project within the allotted time frame, demonstrating ability to work under tight deadlines.

RELEVANT PROJECTS

Soil Analysis Monitoring System with Internet of Things Application, STI College - Las Pinas | Las Pinas, Metro Manila | Capstone Projects

Role | Mobile Application Developer / Embedded System Programmer, June 2022 – June 2023

- Design and build the user interface (UI) and functionality of applications using Android Studio.
- Developed sensor integrations with microcontrollers, enabling data transfer to cloud databases. Integrated data from embedded systems into mobile applications, providing real-time insights for users.

CERTIFICATIONS

- | | |
|--|----------------------------|
| • Responsive Web Design
freeCodeCamp, | Issued: August 2023 |
| • JavaScript Essentials 1
Cisco | Issued: July 2023 |
| • AWS Academy Graduate - AWS Academy Cloud Foundations
Amazon Web Services (AWS) | Issued: July 2023 |
| • Huawei HCIA-Cloud Service V3.0 Course
Huawei | Issued: August 2022 |
| • Huawei HCIA-IoT V2.5 Course
Huawei | Issued: July 2022 |
| • Red Hat System Administration I (RH124)
Red Hat | Issued: July 2022 |

SEMINARS AND WORKSHOPS

- | | |
|--|---------------------------|
| • Packetworx IoT Conference Philippines 2023
Packetworx - Certificate of Participation | Issued: July 2023 |
| • 6th Philippine Skilling Summit
Go Philippines - Certificate of Attendance | Issued: April 2023 |
| • Huawei Compute Cloud Services
Huawei - Certificate of Participation | Issued: July 2022 |

AWARDS AND HONORS

- **STI College Research Symposium 2023**
STI College Las Piñas - Certificate of Recognition, **January 2023**
